SOLUTION TO OUR PARTNERS

At Montage, we intensively engage with the needs of our customers and suppliers as well as their business. And we are listening to what matters to them. We recognize the challenges and opportunities our partners are facing in today's highly competitive and increasingly complex markets.

We understand that our partners require a truly integrated approach to chemical distribution - one that is built upon the power of connecting customers and suppliers in a winning partnership. One that goes beyond the sheer distribution of petrochemicals.

Based upon a superior knowledge of products and applications, markets, industries, suppliers as well as consumer requirements and trends, we develop and deliver creative, tailor-made, cutting-edge and sustainable solutions that help our customers and suppliers focus on their core business.

We offer unique channels to the market, open up new opportunities, provide competitive advantages and foster additional growth. Our comprehensive team of industry-dedicated experts combines unmatched global reach with local excellence.

OUR VALUES

Our values clarify what Montage Oil DMCC really stands for. We believe that they are important for our long term success. This means that our values should influence or even drive everything we do as a company, as a Montage Oil team or as a team member.

They are as the term says: attitude and behaviors that we "value" the most in our company.

ENTREPRENEURSHIP

Montage Oil DMCC is all about seeing opportunities and taking initiatives to realize them. We want to be dynamic, agile and fast in adjusting to the market needs and opportunities. This is how we grow the business for our customers, partners and ourselves.

SERVICE EXCELLENCE

We want to be the best at what we do that is why we go the extra mile. Not just really good but top-of-the-league. We go the extra mile for our customers, partners and colleagues in order to give a service that truly delights them. We combine flexibility, reliability and efficiency in such a way that it is great to work with us.

“

We bridge cultural gaps by increasing dialogue between customers and the convictions they hold.

ACCOUNTABILITY

At Montage Oil, we keep our promises and deliver the agreed results. We dare to commit and go beyond excuses or justifications to make sure that we render what we committed to. We are accountable and take full responsibility for our actions, decisions and the outcomes.

TEAMWORK

Collaboration sits at the heart of our business model and in the DNA of our company. We believe in the power of teams. We love sparring with others in a candid and constructive way and see seeking advice as a sign of strength, not weakness. Therefore, we foster teamwork and empower teams to act in the best interest of the company.

HONESTY

Honesty is essential in any lasting business and partnership. Therefore, we act in an ethical way and we foster open and transparent communication. We block internal politics and we share our thoughts in a direct and respectful way.
